**TO:** ALL WMX RIDERS  
**FROM:** MX SPORTS PRO RACING  
**DATE:** 3/25/10  
**SUBJECT:** Technical Bulletin 2010-1: Motorcycle Equipment Change

---

After many discussions with key members of the motorcycle industry and in an effort to maintain parity between WMX and 250 class rules, the use of 2-stroke 250cc motorcycles will not be permitted in the WMX class for the 2010 WMX season. Engine displacement for the WMX class will remain at 0 – 125cc 2-stroke / 150 – 250cc 4-stroke.
